5 Step Client Roadmap

TO WORK WITH US

- 1** Check out our website and social media to see the various projects for examples of our work.

- 2** Let's talk! Submit a contact form which details your project. Don't forget to include any inspirational images and links you may have.

- 3** Once we receive your contact form, we will be in touch via email to arrange a FREE 15 minute discovery call. This is to discuss potential project needs and compatibility with what we offer.

- 4** We chat, discuss your project, and get excited! Next, you will receive the client questionnaire to complete, and schedule an in person consultation. (A \$100 fee that is applied to the overall designer fees) Then, we get started designing.

- 5** Once your project is underway, we will send you the first proof as per our project timelines. Once we have finalized the design, ordering can begin.
